Current industry training programs:

The Workforce Development Center at Eastern Shore Community College

(<http://www.es.vccs.edu/workforce/index.html>) is a developing platform for delivery of an array of education, employment, and training services to citizens and businesses of the Eastern Shore of Virginia.

The Center will work cooperatively with the Virginia Employment Commission, the Workforce Investment Board, local agencies and organizations to provide comprehensive services in a coordinated, cost effective manner. The Center's currently available programs and services are offered in addition to the college's regular curriculum programs and services.

Selected customized industry training programs include:

Leadership, Management and Supervision

Information Technology

Industrial Trades Technology Training

Individual Employee and Job-specific Skills

Organizational Development

Customer Service Certification (partnership with Eastern Shore Tourism Commission)

Eco-Tour Guide Certification (partnership with Virginia Dept of Environmental Quality)

ESCC's Business Development and Workforce Training Center is a new facility, opened in February of 2009, which will enhance the division's efforts to establish links between the College and the business community.

Current industries served include:

Poultry Processing, Agriculture – Food Processing and Distribution, Health Care, Aerospace and Aeronautics, Transportation (CBBT), Specialty Foods Retail and Distribution, Hospitality and Tourism (including Eco-Tourism), Banking, Manufacturing

Partnerships with:

- Small Business Programs through local Chambers of Commerce
- Internships and Clinicals at Shore Memorial Hospital, Peninsula Regional Medical Center, and regional health care providers
- Spanish Language and GED partnerships with Tyson and Perdue
- Forklift Training for Purdue and Small Businesses
