Current industry training programs:

PHCC's workforce development office (<http://www.ph.vccs.edu/info.cfm?t=24&c=5&path=283,108>) provides job analysis, employee assessments, and pre-employment training for businesses. Workforce development professionals consult with employers and use innovative methods in the development of training and educational offerings that help employers gain a competitive advantage from the skills of their workforce. Staff can develop or target training for an organization's specific needs.

Examples of Customized Training: Leadership Foundations, Customer Service, Supervision, Business Writing and Communications, Computer Applications, Industry-Specific Skills

Apprentices receive on-the-job training combined with classroom-related instruction to ensure that the apprentice is fully trained in all areas of the occupation. Apprentices are awarded a journeyman certificate from the Commonwealth of Virginia after successful completion of the on-the-job training and related instruction.

Examples of Businesses served:

Master Brand Cabinets; McAirmaid's; Trinity Packaging; Pioneer Hospital; Nautica Enterprises; Hanesbrands
